# HOMESTAY APPLICATION FORM

## WE CARE!

Students who study at KGIC can choose to live with a homestay family while living and studying in Canada. While living with a homestay family, students will be in an English speaking, North American cultural setting. Students should be aware that as Vancouver, Surrey, Victoria or Toronto are multi-cultural cities, most inhabitants hail from other cultures and backgrounds so students should not have preconceptions about what it means to be Canadian. All homestay families of KGIC are carefully selected and monitored to ensure a student's homestay experience is a positive and memorable one.

While staying at a homestay students can expect three meals a day, their own room, and the support of a friendly Canadian family.

*\*Please complete the following form only if you are applying for a homestay placement. The application should be filled out as completely and accurately as possible. KGIC will place you into a homestay that meets your selection as closely as possible.*
