Trailblazers gives you the once-in-a-lifetime opportunity to accomplish amazing things in four weeks. Some highlights include climbing the Black Tusk a peak of 2315 meters and gazing at glacier-fed lakes. In 2012 Trailblazers from around the world will again challenge themselves and develop lifelong friendships that will cross borders and oceans. From the classroom to the wilderness, you will learn 1st aid and CPR, water safety, environmental minimum impact techniques, critical thinking and judgment skills, how to navigate your way in the wild open country of British Columbia with a compass and GPS, and much more.

Our leadership certification program combines unforgettable camping and hiking experiences in British Columbia with practical English language usage related to outdoors, leadership, teamwork. Our leadership certification program combines three weeks of practical English language usage with special survival skills seminars and workshops in beautiful Vancouver, Canada.
